

Website Design

Overview

The web is an extremely powerful marketing tool - properly used, a website can help you acquire new leads to expand and improve your business. A nice website design attracts potential clients' attention, in addition to its valuable duty as an "online brochure".

Smith & Jones is a Houston marketing firm that provides website designs that meet the needs of our clients. We will work with you to define your goals and build high quality, custom website designs. We offer a wide range of solutions including:

- Simple Brochure and Informational Sites
- Marketing platforms- used to draw leads and new business
- Product catalogs: offering dozens to thousands of products
- E-commerce sites offering online purchase capabilities
- Website maintenance and support
- Website Marketing - [SEO](#)
- Extranet and Intranet web applications

Having an attractive website design allows for the advancement of your business by providing your potential client a showcase to your business, while supplying a professional image and increasing the awareness of your business' products and services.
